**REPLY TO NOTICE OF ALLOWANCE**

The Examiner is thanked for the Notice of Allowance mailed December 14, 2004. The Notice of Allowance incorrectly states the title of the invention as being "Delivering A Graphical Object Browser." The correct title of the invention is "Delivering a Graphical Object to a Browser," as amended by the Applicant in the Response of December 19, 2003. Consequently, upon issuance of the above-identified patent application, please correctly recite the title of the patent as "Delivering a Graphical Object to a Browser."

Respectfully submitted,
